

Rule for the conjugation of 2 verbs

Rule 1 - When 2 verbs are used together in one sentence with one subject then the first verb will be conjugated and the second verb will come in its basic form (basic form - infinitive verb - no changes made in the verb)

Rule 2 - the * to * between the verbs is not translated .

For example-

- She wants to go to canada .
- Elle veut aller au canada .

- They can drink coffee.
- Ils peuvent boire du café.

- I can become a doctor .
- Je peux être médecin .
